

Some of our Projects:

Keep Out: The Teen Room Project
A mock teenager bedroom with signs of drugs and alcohol "hidden" in plain sight, is an interactive tool for teaching adults how to identify teen drug and alcohol use.

The Lock Box Project
The coalition partners with agencies across the county to provide free medication lock boxes to families. Lock boxes include education on the importance of monitoring, safely storing, and disposing of medicine in the home.

Medication Take Back
The coalition hosts two medication take back events each year, allowing Oceana County families a safe way to throw away their unused or expired medicine.

Community Events
Oceana Leads has hosted a number of community events open to anyone to participate and learn.

Get Involved!

Oceana LEADS needs people who are willing to share their ideas, find solutions to issues, and have some fun doing it. You can join an action team: Executive Committee, Opiate Task Force or Marijuana and Alcohol Action Team...or just show up at a quarterly coalition meeting. By joining, you create connections and make Oceana a great place for everyone to call home.

Oceana LEADS is a partnership between Oceana County community members, organizations, and other stakeholders to reduce the misuse and abuse of alcohol and drugs within our community.

Our Mission

To achieve a reduction in drug and alcohol use by empowering our community to engage in opportunities that will promote a healthy and quality life.

Our Action Teams!

Executive Committee (EC)

The EC is a group of coalition members that are responsible for planning quarterly full coalition meetings, improving the function of the coalition, and guiding coalition work as needed.

Marijuana and Alcohol Action Team (MAAT)

The MAAT is responsible for addressing alcohol, marijuana and tobacco related strategies from the coalitions 5 year strategic plan. Some of the activities have included Keep Out: The Teen Room Project and a yearly Social Hosting Campaign.

Opiate Task Force (OTF)

The OTF is responsible for addressing opioid related strategies from the coalitions 5 year strategic plan. Some of the activities have included distributing free lock boxes to residents and hosting medication take back events.

The Oceana Prevention Partnership for Change (TOPPC)

TOPPC is the youth division of Oceana LEADS. Youth in 9th-12th grade from any of the high schools located in Oceana County are welcome to join. TOPPC is responsible for helping to plan the annual youth summit and choosing initiatives that support a healthier community.
